**TRANSMITTAL FOR COPY OF AMENDMENT RESPONSIVE TO RESTRICTION --  
AMENDMENT MISPLACED AT US PATENT AND TRADEMARK OFFICE**

Sir:

This is in connection with the February 9, 2005 Office Action, which is a Restriction Requirement, and the responsive Amendment forwarded by facsimile on March 21, 2005.

Examiner Jackson is thanked for his voice mail to and telephone conference with the undersigned vis-à-vis this matter.

Specifically, voice mail was left for Examiner Jackson regarding that when the undersigned brought up the application on PAIR, there was no indication of receipt at the USPTO of the March 21, 2005 facsimile transmission of the Amendment responsive to the February 9, 2005 Office Action. Then, Examiner Jackson left a voice mail for the undersigned that he had not received the March 21, 2005 facsimile transmission of the responsive Amendment, and subsequently he spoke with the undersigned and requested that a copy of the March 21, 2005

responsive Amendment be sent to him both by facsimile and by mail. Accordingly, enclosed is a copy of each of the following:

A. Print out from rightfax of "successful send"

March 21, 2005, 4:36:37 pm (1 page)

B. March 21, 2005 Certificate of Facsimile

Transmission under 37 CFR 1.8 (1 page)

C. March 21, 2005 AMENDMENT (Responsive to  
the February 9, 2005 Official Action) (3 pages)

#### **DEPOSIT ACCOUNT**

Although it is believed that no fee is due since applicant has a "successful send" of facsimile transmission on March 21, 2005 of the responsive Amendment, and thus, it was timely filed but apparently was misplaced by the US PTO after receipt there, nevertheless the Commissioner is authorized to debit any amount due, in connection with this correspondence, from **Deposit Account No. 13-4365**.

Respectfully submitted,

By:
